CBL10 Cabled Lamp

High Quality LED

330 lm
5 metre cable
360° Retractable Hook

LPL35X1

See better, work better

Cabled and compact professional lighting tool

Our compact, cabled LED professional work light has been designed for all maintenance jobs. Its powerful LEDs give a strong and homogenous 330 lumen beam, while its 360° rotating hook provides a hands-free working environment.

High resistance

- Resistant to chemicals and workshop solvents
- Strong impact resistance -IK07
- Water and dust protected -IP54

High-power white LED light

- Defeat darkness with soft natural light
- High-power LED light: 330 lumens
- Wide beam angle: up to 120°

Compact and hands-free lighting

- 5 m cable and 360° retractable hook

PHILIPS

Specifications

Ordering information

- Order entry: LPL35X1
- Ordering code: 39421431

Electrical characteristics

- Charging cable type: 220 V AC plug-in power supply
- Plug type: EU
- Power source: Cable
- Voltage: 100–240 V
- Wattage: 5 W

Light characteristics

- Beam angle: 120 degree
- Colour temperature: 6000 K
- LED lifetime: 10,000 hrs
- Light output: 330 lumen

Packaging Data

- EAN1: 8727900394214
- EAN3: 8727900394221

Packed product information

- Cable length: 5 m

- Height: 6 cm
- Length: 39.7 cm
- Pack Quantity / MOQ: 6
- Weight with cable: 545 g
- Weight without cable: 195 g
- Width: 10.2 cm
- Size: Compact

Product description

- Hook: 360° retractable hook
- Impact protection rating (IK): IK07
- Ingress protection rating (IP): IP54
- Magnet: No
- Materials and finishing: Robust rubber and polycarbonate
- Number of LEDs: 12
- Operating Temperature: -10 to 50 °C
- Resistant to: grease, oil, workshop solvents
- Technology: LED
- Range: CBL

Power consumption

- Energy efficiency label: A+
- Power consumption per 1000h: 3.5 kW h

Highlights

Resistant to chemicals

As well as resisting knocks, the inspection lamp cases are resistant to water, chemicals and workshop solvents.

Defeat darkness

Philips's professional workshop lamps feature powerful LEDs for an intense white light and a bright wide beam to defeat darkness. Designed to optimise clarity and vision, the 6000 K white light also improves visual comfort for fatigue-free working.

Strong impact resistance -IK07

Strong impact resistance -IK07

5 m cable and rotating hook

The 360° adjustable and retractable hook, along with a 5-metre cable, makes it possible to hang this LED inspection lamp on any surface, leaving both of your hands free for the job.

High-power LED light

The high-power white LEDs provide 330 lumens of light output to ensure that you are not left in the dark when trying to spot even the smallest details.

Wide beam angle: up to 120°

With a wide beam angle of 120°, this LED inspection lamp will enable you to focus on a specific part and deliver the right amount of light that you need.

Water and dust protected -IP54

Our CBL10 LED inspection lamp is water-resistant and dust-resistant and conforms to IP54 standard.
